

A consistent display of ***Courtesy, Consideration and Cooperation*** between students, teachers and the broader community are essential to maintain a safe, supportive and successful learning environment.

Students and staff have a right to feel safe at school, therefore respect for other people's feelings, property and equipment is essential.

The following behaviour must be displayed to preserve good order, site safety and protect the rights of all members of our school community:

- All students must obey the instructions given to them by staff members
- Students must be punctual and prepared for all classes
- Students must conform to the college's dress code
- Prohibited substances are not permitted on college grounds. This includes alcohol, tobacco, illegal drugs and other substances which may be used for illicit purposes
- Students may only leave the college grounds during the college day after obtaining permission and a leave pass from Student Services
- Students should move sensibly around the school and should use paths provided
- Students are not permitted in areas designated out of bounds unless directed by a teacher
- Students must maintain a clean and healthy school environment by refraining from:
  - Damaging equipment, plants and fixtures
  - Spitting, littering or chewing gum
  - Defacing the College with graffiti

**This Code of Conduct has been agreed to by staff, students and parents.**
