

The Education Department's policy on school dress empowers schools to make the wearing of uniform compulsory. The College has found that the wearing of uniform has brought many benefits such as the promotion of the College's public image, improved morale, team spirit and pride, reduced rivalry, convenience and it is relatively inexpensive. It ensures a higher standard of dress and it demonstrates to students that dress is appropriate to a given situation. Darling Range Sports College has a dress code policy determined in consultation with parents, students and staff.

All students must wear the College uniform every day. Unless otherwise stated, all students attending Darling Range Sports College excursions must comply with the uniform policy.

Enrolment at Darling Range Sports College assumes an agreement between the College, the parent/guardian and the enrolling student that the College uniform will be adhered to. Students who breach the uniform policy **will incur consequences**.
