

## Completing Online Year 10 Subject Selections For 2019

1. Students are to choose four (4) electives.
2. One elective **must** be chosen in **each** Learning Area of The Arts, Technology and Enterprise and Physical Education.
3. The fourth elective can be chosen from any of these three Learning Areas
4. You **must** select your first and second preference on each line.
5. If you are currently enrolled in one of our Specialist Sport Programs, you **must** select that sport as your first preference on the line it appears. Sports Science **must** be selected as your first preference on the line it appears.
6. If you are not enrolled in one of our Specialist Sport Programs, you **must** select either Basketball, General Physical Education or Recreational Sport (if recommended by your teacher) from the Physical Education Learning Area as your first preference.
7. If you are in the School of Instrumental (SIM) program, you must select 'Instrumental Music' on line 6.

The Subject Selection Handbook, which can be found on our College [website](#), provides valuable information about each subject and will help you to make informed decisions.
