Completing Online Year 9 Subject Selections for 2019

1. Students are able to choose four (4) electives. You **must** select your first and second preference on each line.
2. One elective **must** be chosen in **each** learning area of The Arts, Technology and Enterprise and Physical Education.
3. The fourth elective can be chosen from any of these three learning areas
4. If you are currently enrolled in one of our Specialist Sport Programs, you **must** select that sport as your first preference on the line it appears. Sports Science will be selected automatically as your first preference on the line it appears.
5. If you are not enrolled in one of our Specialist Sport Programs, you **must** select either Fit For Life, Basketball, Personal Fitness or General Physical Education as your first preference.
6. If you are in the School of Instrumental (SIM) program, Instrumental Music will automatically be selected on Line 6 after answering the corresponding question in the 'Before You Begin' section. Muso's on Line 3 will also be selected automatically.

The Subject Selection Handbook, which can be found on our College website, will provide valuable information about each subject and will help you to make informed decisions.
