

## STUDENT MOBILE PHONES IN SCHOOLS POLICY

All staff at Darling Range Sports College are responsible for implementing this policy.

For the purposes of this policy, 'mobile phones' includes smart watches and associated listening accessories, such as, but not limited to, headphones and ear buds.

This policy takes effect from the sound of a warning siren at 8.40am, to the time students leave the school grounds at the conclusion of the school day.

As mobile phones are not permitted at school, the College will take no responsibility for the damage, theft or loss of the mobile phone (in part or whole) or any accessories.

### Policy

The Department of Education does not permit student use of mobile phones in public schools unless for a school approved documented health care plan or teacher directed specific educational purpose at a specific time.

It is important to note that it is not a requirement at Darling Range Sports College for students to have a mobile phone at school.

Darling Range Sports College recognises that an increasing number of parents/carers who for safety, security and/or emergency purposes wish to provide their children with mobile phones. This policy details the conditions under which mobile phones may be permitted at Darling Range Sports College and the consequences of breaches of this policy.

### Conditions of Use

The use of mobile phones for all students is not permitted at Darling Range Sports College from sound of the school siren at 8.40am each day to the time students leave school grounds at the conclusion of the school day. Mobile phones should be '**off and away all day**'.

### Exemptions

- Exemptions to this ban include where a student requires a mobile phone:
  - To monitor a health condition as part of a school approved documented health care plan; or
  - with permission of a teacher for a specified purpose. ***That is, a direct instruction given by a teacher in a specific class to a specific student for a special educational activity.***

### Communication

- Smart watches must be in 'airplane mode' so phone calls and messages cannot be sent or received during the school day.
- Darling Range Sports College has duty of care for all students when they are attending the school. All communication between parents and students, during school hours, must occur via the school's administration.

## Breaches of this Policy

- Teacher management of this policy will be managed in accordance with the *School Behaviour Management Policy and Procedures* and *Good Standing Policy*, utilising CMS strategies.
- Students who do not comply with this policy (are seen with their mobile phone in their hand without any of the exemptions being in place) will have their mobile phone confiscated, placed into a pre-printed envelope, clearly labelled with the date and time, the teacher's name, the student's name and form.

The item will then be handed to the Front Office by the confiscating teacher as soon as possible, where it will be logged and stored securely. The student can collect the mobile phone at the end of the school day from the front office through the relevant or available Associate Principal.

- In the case of repeated breach of DRSC Mobile Phone policy (third infringement), the student's mobile phone will be confiscated, placed into an envelope, clearly labelled with the date and time, the teacher's name, the student's name and form.

The item will then be handed to the Front Office by the confiscating teacher as soon as possible, where it will be logged and stored securely. The administration officer will inform the **parent/carer** and requested to collect the mobile phone from the school at their earliest convenience. Any further discussion will be through the relevant Associate Principal.

- In the case of further repeated breaches of the DRSC Mobile Phone policy by a student (fourth infringement), the Principal may direct the withdrawing of the student's mobile phone from the school for a determined period or permanently.

This will require the student to log the device/mobile phone into the Front Office at the start of each day and collect it at the end of each day. If the device is essential for the student to engage in lessons, they will be permitted to collect the device as required under teacher direction.
