

Dear Parents / Caregivers / Guardians of students at DRSC

At present we are working to provide *curriculum resources* should they be needed to best support members of our school community. Connect is the College's primary communication platform to **share student notices and curriculum resources**.

Connect is also one of the communication tools used by the College for **parent notices and information**. Other resources used include SMS, Facebook, and emails.

To ensure we can communicate with all parents / caregivers / guardians we will be conducting a test on **Tuesday 24 March** to ensure Connect is best setup for your access. If you do not receive a message from the College by 5pm on this date please email DarlingRange.SC.Admin@education.wa.edu.au with your name and the name of your child.

*If you do receive a test message, **please log in to Connect**. This will allow us to confirm that you can access Connect using your P-number and password.*

For student looking for information to guide study, revision, and learning materials such as course outlines, assessment outline and course work, please use Connect. When looking at Connect you will find information under Content – Resources.

Please see attached flowchart for further guidance.

The Department of Education is working to provide online access to resources for parents, caregivers and students. This will be through the *Learning at home* <https://www.education.wa.edu.au/learning-at-home> website. The website is now available and resources will continue to be added over the coming weeks. Our teachers continue to use *Connect* as their primary source of teaching resources. The materials published on the *Learning at home* website will also be available in *Connect*.

The College has also subscribed all ATAR Year 11 and 12 Students to Revise online <https://www.reviseonline.com/>. Log in details will be given to students in the coming days.

Mathletics is currently available for all Year 7-10 students with access for senior school students becoming available in the next few days.

Thank you for your on-going support and willingness to work with the school in providing the best support for your child.

Kind regards

Owen Martin

Associate Principal
Darling Range Sports College
