POINTS TO NOTE

- Trials will be held in Terms 1, 2 and 3. Dates, times and further information will be released closer to each trial.
- It is expected that the last 'round' of offers to students will be made by the end of Term 3. Offers of placement will be withdrawn if acceptance advice is not returned to the College by the due date indicated.
- This Application is thoroughly reviewed to gauge whether the student meets the dual suitability criteria for the Program. A key aim is to ensure the balance between academic achievement, effort in classes and sporting excellence can be achieved. Academic records for the previous two semesters are reviewed with particular attention given to the student's conduct, effort and participation comments. This is matched against the student's demonstrated achievements in sport.
- **Progressive and Annual Reviews.** Acceptance into a Darling Range Sports College specialist program at any year level does not lead to automatic progression to the following year. Student progress and achievement is **reviewed throughout each year** and requires the student to **consistently** satisfy academic, behaviour and sporting criteria. Annual full fee payment is also required for continued participation.
- Specialist Sport Programs are 'user pays' programs and cost \$300 per year. This cost is in addition to the Contributions and Charges of all subjects that your child undertakes each year.
- In accordance with the College's Contributions and Charges Policy, all Contributions and Charges are to be finalised in full by the end of Term 3 or a payment plan entered into by the end of Term 1.
- Acceptance into the next year of a Program requires **FULL PAYMENT OF COMPULSORY FEES AND CHARGES by the end of Term 3 each school year.**

PARENT/GUARDIAN DECLARATION

- I accept that should my child not attend all training sessions and participate with commitment and enthusiasm, demonstrate a sustained and diligent commitment to academic studies and maintain a high standard of attendance, behaviour and conduct, his/her place in the Specialist Sports program may be forfeited.
- I accept that there is a requirement that all Specialist Sports program students will be available to represent the school in any competition or carnival the school enters including, but not limited to, sport specific competitions, interschool athletics, cross country and swimming.
- I accept that a Specialist Program is a 'user pays' program with Contributions and Charges paid in full by the end of Term 3 and I agree to pay those charges in full for every year my child is in the Program.
- I accept that should I choose to set up a payment plan for Contributions and Charges, I will contact the Manager of Corporate Services by the end of Term 1. I acknowledge that failure to do so may result in my child no longer being enrolled in the Specialist Program.
- I accept that should my child no longer be enrolled in the Specialist Program, I agree to meet with the Principal to discuss my child's continued enrolment at Darling Range Sports College and to consider suitable alternative options.
