

Dear Parents/Guardians

Darling Range Sports College COVID Community Circular #18 – 12/02/2021

Before I give an update, I want to say how impressed I have been with the attitude and compliance from your children in regards to politely following the government's direction. The students have been outstanding, so much so that I contacted Head Office to report that I was overwhelmed with how good the students were.

The Premier has just announced that on Monday 15 February, students and staff will not have to wear masks at schools. Here at DRSC we will continue to maintain the highest standards of hygiene and cleaning to keep everyone safe, although we won't be wearing masks.

Our concerns for families that were in the bushfire zones have relaxed a little and we continue to offer them any support they and their children require.

On a brighter note, this has been a great start to the year for our College!

Our Baseball coach has been in Melbourne coaching the Perth Heat and our current Sports Captain Maddux Stivey flew over with the team in his debut year with the Heat.

Finally, a plea to people who drop off and pick up students. Please be aware, the car parks are NOT available for drop off and pick-up. There is a slip lane off the main road for this and I am concerned that we will have an accident if we have cars coming and going from the employee's car parks with over 1000 students moving through these areas. Your cooperation is appreciated.

Kind regards, stay safe and well.

Rob Lawson
Principal
